Internship offer letter:

Dear Mr. Shouvik Sunil Sharma,

Daten Solutions is elated to inform you that you have been selected for the 2020 Fall internship program continuing to work as Data Engineer Intern from **Aug 17, 2020** to **Dec 19, 2020**. You will be working under the direction of Raj Pulagala and are expected to work **20 hours** per week, and you'll receive a pay of **\$20** per hour.

During your time working as Data Engineer Intern, you are responsible for analyzing the data, architecting a dimensional model, and working on creating the ETL pipelines. The company uses a variety of languages and technology tools as part of typical day to day operations and are as below:

Languages and databases you would be using are:

- SQL
- Python
- Microsoft SQL Server
- Snowflake

(312) 804-3531 

raj@daten-solutions.com

DATEN SOLUTIONS

Other technologies and cloud platforms you would be working on:

- Amazon AWS
- SAP HANA
- SAP Data Services
- Microsoft Business Intelligence Tools (SSIS, SSAS, SSRS)

If you have any queries, feel free to get in touch with me via phone or email.

I wish you all the best and looking forward to working with you.

Warm regards,

Raj Pulagala
President
