Interim Chair of the Department of Computer Science  
Illinois Institute of Technology  
Stuart Building 236B  
10 W 31st St, Chicago, IL 60616

Dear Professor Argamon,

As I prepare for my journey into the workforce after graduation, I am hoping to gather a general letter of recommendation from you that I can use for future internship applications.

As my graduate education advisor, and professor. I feel a reference from you would provide a potential employer with the insight into my character and technical abilities ensuring them I would be an ideal candidate for the internship position they are looking to fill.

If you need any additional information, please contact me via email or phone. If you would kindly provide me with pdf file of you letter, I would greatly appreciate it.

Thank you for your consideration and support.

Sincerely,

Shouvik Sharma
